

Company Introduction

Prudence Financial Group ("Prudence") is an investment management firm with around 60 employees across Hong Kong, Singapore and mainland China. Since 2008, Prudence has consistently delivered high-quality returns to investors and received multiple industry awards.

Investment Analyst

Location: Hong Kong / Shenzhen

Position: Permanent

Summary: This role will be supporting our investment team by conducting detailed financial analysis, market research, and leveraging advanced AI tools to enhance our investment processes.

Responsibilities:

1. Assist in analyzing financial statements, industry trends, and market data to support investment decisions.
2. Utilize AI tools like ChatGPT to automate and streamline data analysis, reporting, and other research tasks, increasing team efficiency.
3. Work closely with senior analysts and portfolio managers to develop investment theses and support the execution of investment strategies.

Requirements:

1. Undergraduate degree in Finance, Business, Data Analysis, computer science or a related field from top universities in North America.
2. 1-2 years relevant working experience or fresh graduates are welcome. Internships or coursework, related to finance, investment analysis or AI application in business are a plus.
3. Strong understanding of financial principles. Familiarity with AI tools and their applications in financial analysis is highly desirable. Excellent communication skills in both written and verbal are required.
4. Excellent analytical and quantitative skills, strong attention to detail and ability to handle large datasets. Ability to work independently and collaboratively in a fast-paced environment.

Additional Information and Application Method:

We offer a competitive remuneration package with a 5-days' work week, a minimum of 15 days of paid annual leave, complimentary office lunch, on-the-job training and a stable harmonious working environment.

Please send your resume in English with your expected salary to recruitment@prudenceinv.com with "Investment Analyst" in the email subject line.

All information received will be kept in strict confidence and only for employment-related purposes.

Personal Information Collection Statement pertaining to Recruitment

All information received will be kept in strict confidence and only for employment-related purposes. The personal data collected will be used to assess your suitability to assume the job duties of the position for which you have applied and to determine preliminary remuneration, and the benefits package will be discussed with you subject to selection for the position. It is our policy to retain the personal data of unsuccessful applicants for future recruitment purposes for a period of two years.

Under the Personal Data (Privacy) Ordinance, you have a right to request access to, and to request correction of, your personal data in relation to your application. If you wish to exercise these rights, please complete the “Data Access Request Form” specified by the Privacy Commissioner for Personal Data and forward it to hr.hk@prudenceinv.com
